An informational meeting was held for potential unit co-leaders for the Neighborhood Caring Program. Invitations were sent out in May to members of the congregation whom the NCD team identified as potential unit co-leaders for each of the 10 units in the program. Jana Abbott introduced Joy Leimer and Marilyn Wasser as the coordinators of the Neighborhood Caring Program. Jana explained how the Neighborhood Caring Program would work and the role of the unit co-leaders, requesting a 1 year commitment from unit co-leaders. Thereafter, Jana fielded questions from those in attendance. At the conclusion of the informational meeting, Joy and Marilyn received acceptances from those members willing to serve as co-leaders.

The NCD team will meet Saturday, June 26 at 4:00 p.m. to finalize organization of the Neighborhood Caring Program, anticipating that the program will be implemented in August.

Respectfully submitted,

Jana Abbott, NCD team chair
